

On October 2, 2024, our WNYRC Program Committee hosted an "Amish Brown Bag Tour". Twenty-nine participants traveled by coach bus through Cherry Creek, NY and Leon, NY to experience Amish quilting, a cheese shop, a nursery/vegetable market, and an Amish bakery. We also visited an Alpaca farm and a wool goods store. A fun and educational experience for all. Lots of souvenirs and goodies were given to all participants from each stop. The trip included a delicious meal from the Zollinger's Inn and Restaurant in South Dayton, N.Y. We are retirees on the move. Stay tuned for future trips and thanks for your support.
