NYSUT Retiree Councils Celebrate 30th Anniversary

In 1991, the NYSUT Representative Assembly delegates passed an amendment to the Constitution that provided for prepaid retiree membership with full participation, voting rights and a more formalized structure. *Retiree councils were born!* At the time there were 33,000 retired members. In 2022, there are now more than 250,000 NYSUT retirees. No other union matches NYSUT's retiree structure, services, and programs.

**NYSUT retiree membership
provides retirees...**

- Access to NYSUT Member Benefits.
- Ability to stay informed through publications such as NYSUT United, the Retiree Organizer and the Western N.Y. News & Views.
- Opportunities to stay connected with retirees at social, informational and community events.
- The ability to remain a strong voice in educational and pension related matters.

Retiree Councils are *Your* voice.
